The last page of a book says, "The End", so we close the book titled "2021". We have all experienced more changes in the last two years than any other time in our life.

This past year we experienced a roller coaster of feelings and occurrences, some good and some not. The bible refers to them as the mountain and valley experiences of life. The good news is that, thanks to God, the good **ALWAYS** outweighs the bad.

Now we open a new book titled "2022". We don't know what this year will bring, but we do know that it will be filled with a whole new list of experiences and changes. Many people tend to face a new year with trepidation and uncertainty, but however you feel as we begin a new year, the one thing that we can count on is God's presence (**Immanuel means "God with us"**).

Many of us, me included, are not crazy about change, but it happens whether we like it or not. Another thing we can count on is the fact that, with all the changes that we might not expect or like, **GOD NEVER CHANGES.**

**"Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning". James 1:17 (NKJV)**

Please to continue to lift up in prayer those who have needs.

**Happy New Year! It will be a good one because we are in the hands of our loving Savior.**

God bless you all,

*David L. Atwood*
