FROM THE PASTOR'S DESK

On Father's Day, I started feeling bad right after getting home from church. I had no energy whatsoever, and had completely lost my appetite. It turned out to be an intestinal virus. I ate basically nothing for five days. I became very weak and am still working to regain my strength.

It brought to mind how we can become spiritually weak when we have no desire for the bread of life, God's Word. I hope we all stay hungry for The Word. It nourishes us spiritually, and can physically make us feel better. This past Sunday night, we started a video series entitled, "Walking with God in the Desert". We watched the introduction and the first session. There are five more sessions in the series, and I hope that you will make an effort to come on Sunday nights to see the rest of these videos. They are object lessons about our desert times (tribulation), and how God shows us that He is with us in these times, as well as in the good times.

There are many in our church family that are going through hard times; please keep them in your prayers. Remember to keep the Nominating Committee in your prayers as they work to fill positions of service for the new church year, beginning in September. Talk to God about what area of service that He would like you to fill. Also, be in prayer for our upcoming Vacation Bible School; that young lives may be touched by the Master through this church-wide effort.

God bless you all,

David
