The Strength of a Father's Love

Happy Father's Day
June 16th

The essence of the father's role
Is to mirror God's own heart
And to value instruction in God's ways
With the grace that God imparts

Every father needs God's wisdom
To carry out his role,
As the tower of strength and support
For each fragile heart he holds

And there's no greater reward in life
For a father to take his place
And uphold the values of the Lord
With integrity and grace.

Note from the Pastor

Things are changing; you don't even have to look at the calendar to know that it is June. The excess rain has stopped, the temperature and humidity are rising, and vacation time is here.

Things are always changing; everything in our universe is subject to change. We are changing, our children are changing, society is changing, and the natural world we live in is changing.

Change is something that makes many people uncomfortable, but it is inevitable. Nothing stays the same....or does it? James 1:17 says, **"Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who DOES NOT CHANGE like shifting shadows"**.

Isn't it good to know that in a world of changes, our Heavenly Father stays the same. His love for us does not increase or decrease, dependent on the way we live. Our lives may please Him or disappoint Him, but His love stays the same. Jesus loved us enough to die for us. That is such a comfort for Christians in an uncomfortable world of change.

The month of June is a very busy time for our church family. The 159th Homecoming service will be on June 9th. Please come and be a part of that special service, as well as all of the other services and activities of this month. And always remember to be in prayer for those who need that "special touch" that only Jesus can give.

God bless you all,

David L. Atwood
