See important  
info on last  
page of  
Newsletter

## *From the Pastor's Desk*

When we consider the month of June, many things come to mind; weddings, vacations, warm weather, iced tea, and.....

### **JUNE BUGS!**

Of all the things I could speak of concerning the month of June, I just want to talk about those pesky little june bugs.

They are one of 300 species of scarab beetles. The largest scarab beetle is 5" long and has 3 enormous horns on its head. Aren't you glad your porch is not covered with **those** on a summer night!

The single reason I want to mention june bugs is because of the awesome example they are to us, and we probably never even think of it. They are **DRAWN TO THE LIGHT!**

**"Arise, shine; for your light has come, and the glory of the Lord has risen upon you. For behold, darkness will cover the earth and deep darkness the peoples; but the Lord will rise upon you and His glory will appear to you. Nations will come to your light, and kings to the brightness of your rising."**

**"No longer will you have the sun for light by day, nor for brightness will the moon give you light; but you will have the Lord for an everlasting light, and the days of your mourning will be over."**

**Isaiah 60: 1-3, 19-20 (NASB)**

**Come to the light of the world; Jesus Christ!**

Please remember to pray for those of our church family, community, and world that need to feel the warmth of His light.

God bless you all,

*David L. Atwood*
