March has some very interesting days; National Peanut Butter Lover's Day, National Potato Chip Day, and National Poultry Day (I'll take mine fried) to name just a few.

But there are two days in March I really look forward to; March 14<sup>th</sup> is the beginning of Daylight Savings Time, and March 20<sup>th</sup> is the first day of spring. I think I am looking forward to spring more this year than ever before, because of the week of brutal winter weather we experienced in February.

We learned in dramatic fashion that we actually **DO** have 4 seasons here in Texas; last summer, this summer, next summer, and that week in February 2021.

**"To everything there is a season, a time for every purpose under heaven".**

**Ecclesiastes 3:1 (NKJV).**

That verse reminds us that we are subject to times and changes over which we have no control. God, in His sovereignty, predetermines all of life's activities. That week of weather made us stop to think about things that we normally don't think about; things that we take for granted.

**One of the things that we take for granted all too often is God's grace. No matter what is going on in or around us, we have the grace of God to see us through.**

As we begin a new month, and hopefully a new season, just remember that God's love for us **DOES NOT** change like Texas weather. He is always here to encourage us, to comfort us, and to strengthen us. **I pray we never take that for granted.**

**"Be still, and know that I am God". Psalm 46:10.**

Please continue to pray for all who need to experience God's presence to help them persevere through their troubles and trials.

God bless you all,

*David L. Atwood*
