## MAY 10<sup>TH</sup> - HAPPY MOTHER'S DAY

He made us all, and there's one thing he  
wouldn't miss.

The qualities of a mother, and all it takes to  
raise His children in his created place.

He knew just what he was doing. Oh, yes he  
did.

For when he made woman to care for kids,  
He gave her strength, He gave her patience,  
He gave her unconditional love, oh what a  
special creation!

Thank you, God, for making mothers so  
amazing

I'm especially thankful for mine and all she's  
done raising me!

Proverbs 31:28-29: "Her children rise up and call her  
blessed; her husband also, and he praises her: Many women  
have done excellently, but you surpass them all"

MEMORIAL  
DAY

## **BE STILL**

A day or two ago, right before dark, Cissy and I were sitting on the back porch. There was a light breeze that made it very comfortable, and it kept the mosquitos away also. There was no sound other than an occasional bawl from a cow or two; other than that, silence. It made me think of two things.

- 1) It took me back over 60 years to the back steps of my Grannie and Papa's house; I stayed with them for a couple of weeks every summer. After the evening chores were done and the remnants of supper put away, we would sit on the back steps, talk a little, and listen a lot. When we weren't talking, the only sounds were a couple of cows bawling in the mesquite pasture, and a squeaking windmill that belonged to their closest neighbor about a ¼ mile away. Oh, how I treasure those sweet memories.
- 2) It also made me think of **Psalm 46:10; "Be still and know that I am God; I will be exalted among the nations, I will be exalted in the earth."** That 46<sup>th</sup> Psalm begins this way; **"God is our refuge and strength, a very present help in trouble."**

We have been forced to stop and just listen for the past few weeks, and will continue to do so for an undetermined amount of time. Who are we listening to? What are we listening for?

I have heard many people question if we will ever get back to where we were before we ever heard of COVID-19.

I pray that we don't **EVER** get back to "normal". As individuals, as communities, and as a nation, we have lived as a "take charge" society. We do anything and everything without ever stopping and listening to what God has to say about it, because we never ask for His opinion or His advice.

It's time that the "new normal" be what God intended in the first place. **Acknowledge who God is, and go to Him for daily counsel and instruction in, and for our life.**

**We must "Be still and know that He is God", and we must listen and obey what He has to say to us.**

The former busyness that we called life allowed NO time to be still OR to listen.

What about now? Are you being still, and what/who are you listening to?

God bless you all,

*David L. Atwood*
