## **“He saw it long before we did!”**

Walt Disney was a most remarkable man. He was blessed with a vivid imagination. He was a man of vision. He was a man of immense success only after suffering several failures.

Disneyland is one proof of his vast imagination and ingenuity. Long after Disneyland in California was built he envisioned something much larger and on a far more grand scale – Disney World in Florida.

During the development of Disney World Walt Disney died. Finally it was completed and opened. It is told that then several of his men were admiring the gigantic entertainment complex. One man said, “Isn’t it a shame that he didn’t even get to see it!” Another observed, “But he DID SEE IT! He saw it long before we did.”

Anything worthwhile must be envisioned by someone long before it can be accomplished. That someone we call “a visionary”.

What will KSBC be like in five years? Ten years? Twenty years? It will be like some visionary leader (or leaders) foresee it becoming by the grace of God.

Listen to your church’s visionaries.

*“Where there is no vision the people perish, (die, languish), but blessed is he who keeps the law.” (Proverbs 29:18)*

*In other words, “Where there is no vision the people perish, but where there is a vision the people flourish.”*

Brother Dwight
