Fall is officially here, according to the calendar. It may not feel like fall yet, but we know fall weather is just around the corner. Fall reminds us that this year is winding down, and a new year will be here before we know it. But, there are still many activities and projects on our calendars to accomplish before this year is complete.

Those involved with Operation Christmas Child, under the leadership of Paula Knobloch, have been busy packing boxes to be sent to children around the world who are less fortunate than our own. Without these boxes and the hard work put into them, these children would have no Christmas. The most important item that is placed in these boxes is the love of Jesus Christ. They plan on shipping 200 boxes this year. That is 200 children, and their families, that will come to know about Jesus, and His love for them. Thank you to all who have had a part in this mission project; your prayers, financial support, and hard work are making an eternal impact in people's lives.

The new church recipe book project that was begun by Connie Kahlstrom is being continued in her memory. Thanks to all the ladies who are working on this project. If you have recipes, or would like to help, contact Evelyn Robinson.

The Harvest Stew is just around the corner. It will be on the second Saturday in November, the 14th. I know everyone in the church and the community looks forward to this time of food, good music, and Christian fellowship. Make sure to mark your calendar for this wonderful yearly gathering. Curtiss Waggoner is coordinating this activity; if you would like to help in any way, let him know.

I am so thankful for everyone's efforts in making all of our church's activities successful. I pray that in everything we do, God would be glorified. Please continue to pray for those in our church family and community that need a special touch from God for healing, whether it is physical or spiritual.

"From the fullness of His grace, we have all received one blessing after another."

John 1:16

God bless you all.
