As September begins, it brings two things; a new school year and a new church year.

Please be in prayer, continually, for our school children and all school employees. I was told that, between school children and employees, there are eleven schools represented. That offers many opportunities for others to see the love of God through these children and adults. I hope you and I will not pass up the opportunity to lift up each and every individual connected with these schools to the Lord each and every day.

For the new church year, I pray that you will look forward, with anticipation, to doing your part to make this a wonderful year through prayer, participation, and productivity. Pray for all church activities and services; that Jesus would be front and center in all we do. Make your best effort to participate in as many of our church services and functions as you can. Invite neighbors and friends to join us. Let us all do our part to make this year a spiritually productive one, that we all grow spiritually, and that the church body may grow in number.

Psalm 100:3

“Know that the Lord is God. It is He who made us, and we are His; we are His people, the sheep of His pasture.”

God bless you all,

David
